

# The GoCare Experience

Why GoCare Training Institute is your best and most appropriate choice for expert training and career development.

**Train With The Experts... Become An Expert!**

**FULLY REGISTERED AND ACCREDITED COLLEGE:**

1 GoCare Training Institute (GTI) is fully registered, accredited, regulated and licensed by The Ministry of Education, The Technical and Vocational Education and Training Authority (TVETA), National Industrial Training Authority (NITA), The Technical and Vocational Education and Training Curriculum Development, Assessment and Certification Council (TVET CDACC), The Kenya National Examinations Council (KNEC), A member of The Kenya Association of Technical Training Institutions (KATTI) and we are accredited and an approved global examination center for international training, examination, certification and accrediting bodies such as The American

Medical Certification Association (AMCA), USA, Skill Development Council – SDC Canada, and ICDL Global Foundation, International Certificate of Digital Literacy, Ireland. The programs we train are registered, regulated, examined, accredited, licensed and certified by these Kenyan authorities and international bodies thus our students have a strong and legally recognized foundation for studying now and furthering education and careers in future locally or internationally and seeking job opportunities, locally and abroad.

### JOB OPPORTUNITIES AND CAREER OPPORTUNITIES:

Our good name, reputation, legitimacy, industry leadership and credibility have over many years (a decade+), given a competitive advantage to our students in seeking available job and employment opportunities locally and abroad. In addition, where possible and when available, we partner with employment agencies, facilitate, advise and support our students to advance their careers and help network for available job opportunities, both locally and internationally.

## OUR VISION:

To be the leading and most preferred center of excellence in equipping learners with useful knowledge and skills.

## OUR MISSION:

To carefully and diligently equip learners with adequate skills and knowledge that help them to exceptionally stand out in the job market while delivering excellent services in the society, confidently and in a competent manner.

---

## Our Core Values:

GoCare Training Institute Board of Directors, Principal, Management, and all members of staff are guided by the following core values:

**Integrity** – We are honest, do what is right and build a trustworthy relationship between our staffs, students, and partners.

**Compassion** – We are kind, caring, and empathetic with those we serve and with each other. We respect everyone, every time.

**Innovation and skills development** – We continually learn, create, innovate, and develop new or adjust existing systems or processes to improve our work and advance our staffs knowledge and skills through adequate training to enhance their ability to effectively meet the training and clients' needs now and in the future.

**Excellence** – We distinctively deliver on every assignment effectively and efficiently through processes and ways that put a smile on the learners and all that we serve.

**Client satisfaction** – We show how we value our new and existing client relationships by being committed to our promises on service delivery, listening, respecting, and promptly responding to our customers' needs.
